Hi Lisa,

Any time limited parking restriction would be exempt from a valid disable person placard. There is the oversize restriction you may consider, but this does allow large vehicles to park by permit. So far, in established areas, permit of this kind have not been purchased. This restriction requires a resolution and only applies between 2AM and 6AM. See Section 80.69.4 of the LAMC or Ordinance No. 182741 for the process.

Dear Jennie:

I was recommended by Lt. Nuno to contact you regarding proposed parking restrictions on the west side of Citrus Avenue (Between Lexington and Santa Monica Blvd.). This commercial street is a bit strange as the commercial buildings front on Highland and provide rear access (in some cases) on Citrus. Currently on the west side of the street the parking restriction is 2 Hr. Parking 10pm to 6am - which normally would work

however since I joined the Hollywood Media District there are two (2) large recreational vehicles with "valid" handicap license plates that have not moved in the last 2 months or more.

What can you recommend to the commercial owners of the area as they are growing impatient with parking enforcement's lack of attention. As of right now the vehicles are being marked for 72 hours - so I guess I will see what happens on Monday Nov. 23rd. Look forward to hearing back from you.

Thank you
